Customer also agrees to pay for any and all deliveries under and pursuant to its account, whether ordered by the customer or any other person representing himself/herself/itself to be an agent, employee or representative of the customer. Credit terms are at the absolute discretion of Dawson Oil Co. who may terminate, alter or deny credit terms without further notice, and without cause. All sales, if on credit, are due net 10th of the month unless otherwise specified on said invoice. All past due accounts accrue interest at 1 1/2% per month (annual percentage rate 18%) on the declining unpaid balance, or the legal rate of interest, whichever is less. Interest is added to the past due balance and the total thereof is subject to interest for the next billing cycle and shall continue, until paid. To avoid additional finance charge, the new balance must be paid in full by the next end of the month billing cycle. The accrual or payment of interest does not authorize the customer to defer payment of any indebtedness beyond the credit terms stated herein. In the event of the delinquency on any account, customer agrees to pay all collection costs, attorney's fees, and court costs incurred in the collection of said account, regardless of whether judicial action is undertaken or otherwise.
